About Guillermo and Fernanda Merlo

Guillermo and Fernanda Merlo are among the best regarded young Tango dancers and teachers in the world. They have been featured in some of the top Tango Congresses in the world, including **CITA-2000 in Buenos Aires**, the **London Tango Festival** (1999, 2000) and the **US Tango Congress in Miami** (1999, 2000). Guillermo has been part of the cast of **Forever Tango**, where he won a **Tony Award** for his choreography. Guillermo and Fernanda went on to produce their own show **Tango Dreams**. Guillermo has been dancing Tango professionally since he was 12 and has been featured in **National Geographic's Tango**, and other TV appearances. Fernanda has been dancing since 13, and achieved a high stature as a ballet dancer before embracing Tango in 1993. They have both studied with some of the greatest names among the "old guard" of Tango, and have established themselves as among the Tango greats of their generation.

In 1999, they were awarded the title of **IDO Champions in the Argentine Tango division**. That same year, they visited the Middle East, and pioneered the introduction of Argentine Tango in countries like Israel and Egypt. They travel all over the world as ambassadors of the Argentine Tango and are received with acclaim wherever they go!
